

Event Application Form: Parks and Public Open Spaces

Maidstone Borough Council has a duty to ensure that anyone using its land or organising an event does so in a competent and safe manner. Please complete the information requested below which will be used to assess your enquiry and provide an estimate of the fees.

- Please note that completion of the enquiry form will not secure your event. If your enquiry is accepted, a letter or email will be issued as a provisional booking. A deposit will be required to confirm your event. If you are proposing a large scale event, you will need to submit your form at least two months in advance of the event.
- Once your event has been agreed by the events team, you will need to complete a risk assessment of all your activities. You may want to go through this with our Parks Technical Officer on site. This risk assessment must be submitted at least 6 weeks prior to the booked event.
- You will also need to provide a copy of your public liability insurance which must have a minimum cover of £5 million. High risk events may require more cover.
